***Light + Building Autumn Edition 2022: Business is made
between people***

2 - 6 October 2022 Tecnopali North Europe participated in the exhibition Light + Building Autumn Edition 2022 organized by Messe Frankfurt in Frankfurt am Main, Germany.

Light + Building is the international meeting place for manufacturers from the lighting, electrical engineering, home and building automation and connected security technology sectors. The most important visitor groups include architects, interior architects, designers, planners and engineers as well as craftsmen, trade and industry. The Light + Building Autumn Edition in Frankfurt ended successfully today: 92 838 visitors from 147 countries came to Frankfurt and 1531 exhibitors presented their innovations there.

Participation in this exhibition took place with the support of the European Regional Development Fund project "Promotion of International Competitiveness" in accordance with the agreement concluded on May 8, 2017 between Tecnopali North Europe and the Investment and Development Agency of Latvia (LIAA).
